This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of South Carolina Electric & Gas Company (SCE&G or the Company) to substitute pre-filed testimony. The Jacobs Group does not object to this Motion.

Originally, SCE&G had prefled testimony with a Motion that asked that said testimony be filed under seal but made public. The Jacobs Group objected, and moved that SCE&G's original prefled testimony be stricken. Discussions followed, and the present Motion resulted.

Accordingly, SCE&G moves to substitute new prefled testimony for that originally to be filed. SCE&G would pick up its previously filed testimony.

Since the two affected parties to this proceeding have agreed to this procedure, and no one else has objected, we grant SCE&G's Motion to substitute prefiled testimony and/or exhibits. SCE&G may retrieve its previously filed testimony and/or exhibits.

This Order shall remain in full force and effect until further Order of the Commission.
